ESSAY QUESTIONS

(Note: the spaces following the questions will expand to fit your text)

The following essay questions are intended to learn more about you and your involvement with Peachtree Ridge Robotics. They may help you and other team members assist in making your participation a successful experience.

Explain how you contributed to the Team during this past year? Be specific, accurate, and complete, but do not embellish.

What competitions did you attend this past year? Include any off season events. If you did not attend any events, please explain.

How did your parents contribute to the Team this past year? How will your parents contribute to the Team this coming year? Which subteam will your parents specifically support?

What would you like to gain from your experience this coming year?

Describe an experience you had on the Team this past year that you struggled with. How did you handle the situation? What suggestion do you have to improve that experience?

If you are accepted as a Team member, how would you like to contribute to the team this coming year? With what parts of the team would you like to work?

PARENT INVOLVEMENT REQUIREMENT

Parental involvement is absolutely essential to the success of the Peachtree Ridge Robotics Team. Discuss with your parent(s) the possible ways they can help support the team. We need parents to help with fundraising, chaperoning, and much more. Without definite parent commitment to helping the team, your application maybe denied.
